TEACHING EXPERIENCE

California State Polytechnic University, San Luis Obispo

Instructor

University 100: University Studies

Fall 2023

- This course supports the successful student transition to Cal Poly. Establishes links between student needs and campus resources. Covers goal setting, degree planning, campus and academic policies, time management, college and campus culture, growth mindset and effective learning strategies.

Mt. San Antonio College

Instructor

Leadership Seminar: College Success

Summer 2022

- This course is designed to help first-generation learners enhance their understanding of college success skills through preparation and practice. This course provides an in-depth seminar emphasizing the comprehension of academic success skills, the importance of student engagement, and the development of pre-college planning.

Leadership Seminar: Academic Success and Involvement

Fall 2019-2021

- This course is designed to help first-generation students increase their own leadership capacities through feedback, reflection, and practice. This course provides an in-depth seminar emphasizing the understanding of successful habits of leadership and the development of leadership skills. It focuses primarily on the traits, values and skills of leaders and the application of various theories and concepts associated with different aspects of social justice.

Rhyme and Reason: Critical Pedagogy of Expressive Art

Fall 2022- 2023, 2020- 2021

- This course is designed to foster and develop a critical analysis skill set using expressive art techniques such as Hip Hop and Poetry. Utilizing culturally responsive pedagogy (CRP), the course analyzes the racial and systemic issues of Racism, Masculinity, Police Brutality & Policing, Mass Incarceration, Privilege, Classism, Colorism, and Microaggressions & Cultural Appropriation. The course primarily focuses on analyzing everyday issues and occurrences from a social justice and critical thinking lens.
